

Capabilities Summary

**STELLAR SUPPORT
SERVICES**

Company Overview

Stellar Support Services (Stellar) is a Joint Venture between two highly experienced, exceptionally qualified Service-Disabled Veteran-Owned Small Businesses; Strategic Support Solutions, LLC and ProLog, Inc.

Stellar provides best value technical solutions to the Department of Defense and other federal government agencies as well as an elite group of commercial clients and teaming partners. Our highly versatile business model, streamlined operational processes, and jointly integrated management approach allows us to quickly adapt to ever changing mission requirements.

Strategically positioned to execute contracts as a prime or subcontractor, *Stellar* is dedicated to providing exceptional services at the best value to the clients we serve.

The Stellar Advantage

- Agile, Decisive, and Disciplined Leadership
- Well Capitalized and Financially Sound
- Customer-Focused, Quality-Centric Management
- Exceptional and Highly Diverse Past Performance
- Strategic Partnerships - Elite Teaming Partners
- Qualified "Small" for all NAICS Codes
- Expansive US footprint with international capabilities
